MISSISSIPPI

A style magazine for every stage of home living.

2017 Editorial Calendar

Stages Mississippi is a true shelter magazine featuring only homes and gardens. We are unique in the fact that we are not a socially oriented magazine that features people, parties, events, or gatherings. The only people we feature are paid promotions from advertisers who wish to promote what they do in their business. Each bi-monthly issue is focused on beautiful homes and gardens throughout Mississippi, and this theme is constant with each issue. However, each issue does contain a focus section on the following six themes, in addition to our home and garden features:

January/February	Trends – Highpoint Furniture Market Revealed
March/April	Renovations – Before & After Makeovers
May/June	Bring on the Outdoor Living
July/August	Family Living and Summer Escapes
September/October	Fabulous Kitchen & Baths
November/December	Entertaining at Home
