MISSISSIPPI

*A style magazine for every stage of home living.*

## 2018 Editorial Calendar

Stages Mississippi is a true shelter magazine featuring only homes and gardens. We are unique in the fact that we are not a socially oriented magazine that features people, parties, events, or gatherings. The only people we feature are paid promotions from advertisers who wish to promote what they do in their business. Each bi-monthly issue is focused on beautiful homes and gardens throughout Mississippi, and this theme is constant with each issue. However, each issue does contain a focus section on the following six themes, in addition to our home and garden features:

<b>January/February</b>	Trends – Highpoint Furniture Market Revealed
<b>March/April</b>	Renovations – Before & After Makeovers
<b>May/June</b>	Bring on the Outdoor Living
<b>July/August</b>	Family Living and Summer Escapes
<b>September/October</b>	Fabulous Kitchen & Baths
<b>November/December</b>	Entertaining at Home
